## **Vogue Bistro and Bar to Open in Surprise**

February 20, 2008 Surprise, AZ – Chef Aurore de Beauduy is endeavoring to fill a culinary void in the West Valley’s dining line-up by opening Vogue Bistro and Bar, a contemporary and authentic bistro experience focusing on American cuisine with French influences. Located in Marley Park in Surprise, Vogue Bistro and Bar is poised to draw patrons from not just the Surprise area, but surrounding communities as well. Vogue Bistro and Bar is slated to open in the beginning of March, 2008.

Under the direction of Executive Chef and owner Aurore de Beauduy, most recently the former Chef at the Silverleaf Country Club located in DC Ranch in Scottsdale, the Vogue Bistro menu reflects Chef de Beauduy’s French background and years of culinary experience in both the United States and abroad. Her daily menu will offer a wide assortment of paninis, gourmet burgers, salads and fresh fish, chicken and steak dishes. However, the true uniqueness of the restaurant will be reflected in Chef de Beauduy’s daily signature dishes on par with some of the best restaurants in the Valley. A sampling of Chef de Beauduy’s Specials menu items are: Duck Duet- Muscovy duck served two ways (seared breast, braised leg confit) paired with root vegetables in a fig emulsion. Scallops-grilled scallops with pineapple-cucumber relish in a vanilla-vodka broth. Short Ribs – braised beef short ribs with orzo risotto, goat cheese and truffle oil.

“I visited with residents in numerous communities throughout the Valley and discovered that the Surprise community has the growing need for a chef driven, independently-owned restaurant,” said de Beauduy, Executive Chef and owner of Vogue Bistro and Bar. “I’ve created a reasonably priced, contemporary restaurant with original, authentic yet approachable cuisine presented in a warm and inviting atmosphere that is welcoming for all”.

In addition to serving lunch and dinner, Vogue Bistro and Bar will offer a daily Kid’s Club menu and will host Brunch on Sundays. Vogue Bar will feature inexpensive wines from the world's best regions, "designer" martinis, bourbon bar, and a craft beer selection to please the true beer connoisseur. Vogue Bistro will be offering dinner and bar service until midnight except Mondays.

Vogue Bistro and Bar is located in Marley Park at 15411 W. Waddell Rd. in Surprise, Arizona. Hours of operation are: Tuesday - Saturday 11:00 AM – Midnight. Sunday Brunch 10:00 AM - 2:00 PM.
